Purchasing Water Equipment

Noodles: Be sure to purchase **ADULT** size noodles. Place the noodle on the floor while standing straight up; the noodle should come all the way up to your shoulder, or higher. The Sun City Publix or Winn Dixie carry the adult size noodles that are used in these classes. The noodles are \$1.99 each. Wal-Mart may also be an option to purchase your noodle but be sure to check the size. Some classes at KPSC require one noodle and some classes require 2 noodles so check the schedule to see how many you'll need for the class you'd like to attend.

Water Weights: Water weights can be purchased through a local Sun City resident named Mr. Herman Ski. These water weights were specifically designed for water classes. If you are interested in purchasing a set of water weights from Herman Ski contact him at 813-812-6918. The weights are \$15 per set. Another option for water weights is to cut a noodle into the desired length for your upper body resistance workout. The longer the size of the noodle the greater the workout. The shorter the noodle the less resistance it will provide in the water.

Water Shoes: Local retailers like Bealls and Wal-Mart usually carry water shoes year round. Online sites like www.kiefer.com and ww.speedousa.com also sell water shoes.
